DISCOVER MALLORY SQUARE

Mallory Square has always been the hub of Key West's social and commercial life from the time of the city's beginning in the early 1820's. It is where master wrecker Asa Tift's ships' laden goods from the shipwrecks would dock and then be stored in his warehouses on the waterfront. It is where the town folk would come to exchange news, gossip and shop. Fast forward a century-and-a-half and you will find that Mallory Square is still the center of Key West with restaurants, shops, theater, museums, live entertainment and the most spectacular sunsets to be found anywhere. SUNSET CELEBRATION

century! The **Key West Sunset Celebration** invites everyone to partake in watching the glowing pink and red sun sink into the Gulf of Mexico horizon. The nightly festival hosts visitors from all over the world who come to take part in the magicians, jugglers, clowns, psychics, local musicians, artists, and food vendors that combine for an incredible cultural experience. It is a fusion of friends and talents that has captivated tourists and locals alike. This nightly Key West sunset party has everything any local or guest could ever hope to stumble upon. The beauty, sheer history, and pure passion of this event have been immortalized in renowned art, stories, poetry, and photography!

This trip is all about relaxing and getting to know everyone better than we can over the Zoom calls . Since most guys usually end up spending a good chunk of their budget to just getting to the destination, I kept the schedule open to avoid extra costs as much as possible . I wanted to keep things low-key and just let each day unfold organically.
